

News Flash – Medicare will cover immunizations for H1N1 influenza also called the "swine flu." There will be no coinsurance or copayment applied to this benefit, and beneficiaries will not have to meet their deductible. H1N1 influenza vaccine is currently under production and will be available in the Fall of 2009. For more information, go to <http://www.cms.hhs.gov/H1N1> on the CMS website.
